Dear Ms.N Sai Kiranmai,

Good Afternoon.

I went through the syllabi copies of B.Tech first year theory and lab, B.Tech third year lab and MBA Lab courses.

Content of the syllabi was in tune with our discussion which we had during BoS meeting. But there are some typographical and punctuation errors viz., title of MBA lab syllabus is given like this: Business Communications Lab, but it should be Business Communication Lab.

● Check the syllabus(all copies) thoroughly once again and get the errors corrected.

Through this mail, I approve the syllabus of B.Tech first year theory and lab, B.Tech third year lab and MBA Lab courses.

Thank you.

Regards,

Dear BoS Chairman:

Thanks for the mail. Introducing Shakespeare is good. But did we accept for introducing only two Acts? If the committee accepts for the same, I don't have any objection.
