<b>Brief Report:</b>	<p><b>Vasantha Panchami Pooja at Narsimha Reddy Engineering College</b></p> <p><b>Introduction</b></p> <p>Vasantha Panchami, also known as Saraswati Puja, is a celebrated Hindu festival marking the arrival of spring (<i>Vasantha</i>). It is dedicated to <b>Goddess Saraswati</b>, the deity of knowledge, wisdom, music, and arts. Traditionally observed on the fifth day of the bright half of the lunar month of Magha, this festival holds special significance in educational institutions across India, as students and teachers seek the blessings of Goddess Saraswati for academic success and creative inspiration.</p> <p><b>Celebration Overview</b></p> <p>On 23.01.2026, Narsimha Reddy Engineering College organized a vibrant celebration of Vasantha Panchami within the campus premises. The event brought together students, faculty members, and staff to participate in sacred rituals and cultural activities that highlighted the spirit of learning and devotion.</p> <p><b>Pooja and Rituals</b></p> <p>The central part of the celebration was the <b>Saraswati Pooja</b>, performed early in the morning by priests and volunteers. An elegantly decorated idol or image of Goddess Saraswati, adorned in <i>yellow</i>—the symbolic color of the festival representing knowledge and prosperity—was placed at the altar. Students arranged their books, musical instruments, and tools of learning before the deity as a mark of reverence.</p> <p>The rituals included traditional chanting of mantras, offering of flowers (<i>pushpanjali</i>), <i>naivedyam</i> (offerings of sweets and fruits), and lighting of lamps. The sacred atmosphere fostered a sense of unity, respect for education, and cultural pride among all participants.</p> <p>These activities not only added joy to the celebration but also provided a platform for students to express their creativity and confidence.</p> <p><b>Participation and Engagement</b></p> <p>The event saw enthusiastic participation from students across different departments. Many students wore traditional yellow attire in keeping with the festival theme. Faculty members encouraged active involvement, emphasizing the importance of cultural values alongside technical education. The celebration fostered a sense of community and</p>

strengthened bonds between peers and mentors.
