Issues related to NAAC Accreditation were discussed in detail and following discussions were taken.

Academic:

- 1). To encourage Lecturers from different departments to attend seminars, symposias, workshop, conferences and refresher courses during this session.
- 2). To encourage teachers to send proposal for UGC sponsored international seminar and for UGC sponsored National seminar.
- 3). To pursue research and field work based extension programmes.
- 4). To bring out in house journals.
- 5). To conduct FDP for staff.

Sports Achievements:

- 1). The College to provide an appropriate infrastructure, specialized coaching and lot of incentives to help budding players grow and acquire the highest standard in the arena of sports. All state and National Level Players to be given free education.
- 2). College to provide land for sports since number of students are increasing every year and there is no scope of expansion, already we have triple storage buildings.

Infrastructure:

- 1). To have separate wings for EEE and CE departments.
- 2). The entire college is getting ready for reaccreditation of NBA.

Extension Activities:

Red Cross, NSS, NCC, Red Ribbon, Club, Youth Welfare each to carry out their extensive activities planned according to the session.

Red Cross:

To holds Blood Donation/ Eye Check Up/ Aids Awareness/ Dental Check Up/ Health & Hygiene Camp from time to time, for the students and the community.

N.S.S Department:

N.S.S. department to organize field outreach activities on Social Evils (female feticides, AIDS, Drug-deaddiction, Dowry system, Women Empowerment and Environment pollution) under the proposed plan.

Others:

- 1). Enhance the amount of concession given to the meritorious as well as needy students.
- 2). To install computers in all departments.
- 3). All our libraries to be completely digitized.
- 4). To establish one Multimedia computer lab.

Remaining points in the agenda will be taken up in the next meeting in June-2017.

Meeting ended with thanks to the chairperson.

Coordinator, IQAC
