Respected Sir.

Sult: Respond for Permission to Organize a One-day Workshopou "Social faunce & Community Development" on 68th July 2023- Rog.

It is our pleasure to propose the organization for a One Day Guest Workshop on the advanced topic "Social letters of Community Development" on 08-07-2023. This Lecture nims to enhance the knowledge and skills of modents in this crucial area, coercitating to their professional growth and academic development.

In this regard, we kindly request your approval to organize the same at Nassimha Roddy Engineering College (Autonomous), Hydershad, under the guidance of the School of Compensy Science.

We look forward to your kind approval and support for the successful conduct of this DESCRIPTION.

Your faithfully,

(Dr. B Venkuteswaruluðluk)

Amocinta Professor

### Conclusions

The One Day Guest Lecture on Environmental Scatasashilitywas highly informative and engaging session that provided valuable insights into the various Environmental Sustainability programs. The participants left with a desper understanding of the various Environmental Sostainability programs.

### Acknowledgments:

We extend our gratitude to Ma. Minns Primmenfor sharing his expertise in Narsimha Raddy Engineering College for facilitating this valuable learning apportunity. Special thanks to all theparticipants for their active engagement and contributions to the discussions.

### CIRCULAR

Subject: Invitation to Guest Lecture on "Technical Impact on Society."

Dear Faculty Members.

We are pleased to inform you that the Electronics and Communication Engineering has organized a one day Workshop on "Technical Impact on Society". This event is scheduled to take place on 18th Aug 2024 from 10:00 am to 04:00 pm in MT block, Seminar Hatt.

We are honoured to have Dr. Gannera Manuallia expert in the field of Technical impositions in: the Department of ECE, JNTUA Anantapur . We require all faculty members to intend this insightful session and to motivate their collangues to join as well. Your involvement will significantly contribute to the enrichment of technical impact on society. We look forward to your active participation.

Outcomes

The outcome Technical Impact on Society of refers to the positive results or impacts that are achieved through the completion of these activities.

- 1. Knowledge about Applications and ones
- 2. Skill Development
- 3. Collaborative Problem Solving
- 4. Critical Thinking and Ethical Awareness

## Confloring

The workshop on the technical impact on society highlighted the profound influence of technology in shaping modern life, while addressing its benefits, duallenges, and ethical implications

Subject: Invitation to Guest Lecture on "Cultural Awareness and Beritage" on 11th Sep 2023 "

Dear Paculty Members.

We are pleased to inform you that the Electronics and Communication Engineering has organized a uno day Worlashop on "Cultural Awareness and Heritage." This event is scheduled to take place on 11° Sep 2023 from 10:00 am to 04:00 pm in MT block, Seminar Hall. We are horzoned to have Dr.B.Annrudha expert in the field of Tachnical innovations and also Believes in Heritage preserves the identity and legacy of Communities She is from Department of ECE, SV University Tirupathi. We request all faculty members to attend this inslightful assume and to motivate their colleagues to join as well. Your involvement will significantly contribute to the Awareness Program. We look forward to your active purpelipation.

NRCM had the privilege of hosting a one-day Workshop. On First Aid Training And Emergency Response. The event mixed to enlighten faculty members about the importance of First Aid Training And Emergency Response, and the best practices to uphold integrity in scholarly work. The lecture was delivered by Dr.K. Smilteer.

### Objectives of the Lecture

- To introduce the concept and importance of First Aid Training And Emergency Response.
- To discuss common First Aid Training And Emergency Response.
- Issues in research.
- To provide guidelines and best practices for Part Aid Training And Emergency Response.
- To promote integrity and accountability among researchers.

### Lectore Highlights

began the session by defining research ethics and its significance in scademia and industry. The following key points were covered during the foctore:

- i. Definition and Importance of first aid training.
- First aid training Principles in Research
- 3. Common Emergency response Issues
- 4. Case Studies
- 5. Guidelines and Best Practices

### Interactive Session

The lecture was followed by an interactive Q&A session where participants had the opportunity to discuss their queries and concerns with Dr.K.Sudheer. The discussions were insightful and covered a range of topics from specific first aid training and emergency response issues to general advice on conducting first aid training research

### tier Labourage

- Understanding the high force of materializing high first sid searcheds in terms in to ensure head and modulately.
- He registring the algorithms and informed consent and the protection of participants' (typic and seel) being
- Anaronese of common emergency response pitfalls and how to evold them.
- The succeeding of constraines education and assertions in research of first and training.

### Cincelinations

AboutProgram/activ ity	NRCM had the privilege of	leasting a consider	Seminar On Distan

NRCM had the privilege of hosting a one-daySeminar On Hygiene promotion and water sanitation. The event aimed to collishen faculty members about the importance of promotion of hygiene and water sanitation and the best practices to uphold integrity in acholarly work. The feature was delivered by J. Satyanamyuna.

### Objectives of the Lecture

- To introduce the concept and importance of hygiene promotion.
- To discuss common protion of hypicus issuesand water sanitation.
- To provide guidelines and best practices for promotion of hygiene
- To promote integrity and accountability among researchers.

### Lecture Highlights

begun the session by defining promotion of hygiene and water sanitation and its nignificance in academia and industry. The following key points were covered during the lecture:

- 1. Definition and Importance of hygiene promotion.
- 2. Hygiene promotion and water sanitation in Research
- Commun hygiere promotion innes.
- Cusa Studies
- 5. Quidelines and Best Practices

### Interactive Session

The lecture was followed by an interactive Q&A session where participants had the opportunity to discuss their queries and concerns with J. Saryanarayana. The discussions were insightful and covered a range of topics from specific hygiene promotion issues to general advice on conducting hygiene promotion research.

### Key Takenways:

- Understanding the importance of maintaining high hygiene promotion standards in research to ensure trust and credibility.
- Recognizing the significance of informed consent and the protection of participants' rights and well-being.
- Awareness of common hygiene premotion pitfalls and how to avoid them.
- The necessity of continuous education and awareness in hygiene promotion.

### Conclusions

The one-dayHygiene promotion and water sunitation.

was a highly informative and engaging sension that provided valuable insights into the hygiene promotion dimensions of research. The participants lift with a deeper understanding of the hygiene promotion responsibilities they hold as resourchers and the importance of conducting their work with integrity and respect for hygiene standards.

### Acknowledgments

We extend our gratitude to J.Satyanamyanafte sharing her expertise and to for Nazuaimha Roddy Engineering College for facilitating this valuable learning opportunity. Special thanks to all the participants for their active engagement and contributions to the discussions.

Brief Reports

Workshop on Youth Leadership and Volunteerism.

Market Fit' Institution's Innovation Council - Narsimba Reddy Engineering College Organized the event on 16th September 2023 in collaboration with mechanical Engineering department.

The resource person Dr. M. Shashi Professor, Department of Civil engineering HC President Dr. Dr. NIT Warrangal was welcomed and introduced by Dilem Kumar Reddy Pallela. During an hourly session, the event delivered what it had promised: Discussion on key aspects of product-market fit like defining the value-proposition, product feature set, creating and testing the product prototype with the customers. Dr. M. Shashi started the webinar or workshop by listing top ten common startup misrakes. He then discussed the starting point of finding the product-market fit like what is the problem like, who is having the problem and what are the current solutions. The role of early adopters and their influence on the acceptance process was emphasized by M. Shushi. The discussion included examples of finding a product-number fit like Dr. M. Shashi's air car. Dr. M. Shashi presented a design and detailed unalysis. of the challenges he faced in the ready to-serve to market. His innovative venture air car design introduced different modifications under Workshop on Research Design and Planning, 16th September 2023 one roof, Dr. M. Shashi Informed the audience about the different medications which markets needs and history of few classical brands. The aforesaid example of his own brand led Dr. M. Shashi to explain the 'concept to reality' process of the prototype in five steps. All this while, Dr. M. Shashi did not forget to give examples from other industries which made the webinar very effective. The formation, validation, and growth as the broader steps of the new product development were demonstrated quite efficiently through the presentation slides. The webinar had a spiestion-answer section at the end and the students asked various questions. The array of questions asked by students reflected the enthusiasm and curiouty of the young minds. The event concluded with a vote of thanks for the esteemed speaker, Dr. Dr. Diloop Kumar Reddy Pallela and the Head of HC at NRCM Hyderabad.

### PERMISSION LETTER

Date: 20/01/2024

From, Dr. T. L. Ramadasu, Professor & HOD, Department of Civil Engineering, Narsinsha Reddy Engineering College.

To, The Principal, Numinina Reddy Engineering College, Maissinnegoda, Hyderabad.

Subject: Request for permission to conducts One Day Workshop for Students on "Workshop on Health Awareness Compaigns" on 27th Jan 2024 - Reg.

Respected Sir.

With reference to the above said subject, it is our pleasure to inform you that a Four day Workshop on "Workshop on Ethics in Research" has been planned by the department of Computer Science and Engineering of Narsimha Roddy Engineering College (Autonomous).

In this regard, we request you to give approval for the above-mentioned program on 27th Jan 2024.

Thanking you.

Yours Sincerely, Dr. T.L. Ramadasu,

### CORCULAT

Subject: Invitation to One day Workshop on Health Awareness Campaigns

Dear Faculty Members,

We are pleased to inform you that she School of Civil Engineering has organized a "Workshop on Health Awareness Campaigus". This event is scheduled to take place on 27th Jan 2024 from 10:00 am to 04:00 pm in ABK Block, Seminar Hall,

We are honoured to faver Dr. Rumi Borah, a distinguished expert in the field of research eshies, as our speaker. Dr. Rumi Berult, Multi Awarden, Women Entrepreneur, Truth Seeker, Social Entrepreneur, Hyderabad and has a profound understanding of ethical standards and practices in research.

We request all faculty members to attend this insightful session and to motivate their colleagues to join as well. Your involvement will significantly contribute to the enrichment of our academic environment and the promotion of ethical research practices.

We look forward to your active participation.

Thank you.

Objective of The Event	The objective of the workshop was to provide participants with comprehensive overview, giving broad idea about Intellectual Property Rights and IP Management for start-up and its importance.
Benefit in terms of learning/Skill/Knowledge obt≡ined	Students gained knowledge in the following areas:  - How Scientific Observations are made and reported in Technology Readiness level  - How Practical application is involved in TRL, MRL and IRL  - Risk analysis and various implications involved in the TR
Birief Report:	Intellectual property skills are must necessary skills in engineering, as a part of the immovation club we conducted a workshop on IPR. The conducted of the immovation club we conducted a workshop on IPR. The conducted of the workshop is intellectual Property Rights in Business Understanding the significance of the components of the IPR and using it effectively as a main part of husiness strategy is vital to attainment in the marketplace. Businesses need the IPR to protect production secrets of other useful information and continue forward of the competition Digital Economy rewards these enterprises that are creative, innovative and understand the importance of the market for ideas. The Intellectual Property Rights provides the formal framework for protecting their knowledge, creativity & innovation. To maximize the potential provides by the IPR one has to think beyond exclusive rights to IP assets.  The students enjoyed the workshop and were benefitted with the all encompassing understanding of Intellectual Property Rights and its

importance in IP Management for start-up. This empowered the students with the necessary awareness, knowledge, and tools to pentect their ideas and their housess. They got to know how intellectual property rights can help their business to build a market value and that fuving an IPR is an used for the company and that it can be brought, sold, licensed and eathings like any other property.

Through this workship students learnt about the important factors to protect one's business or product from being copied. The workshop was a success and was much approximed by the students as they algorificantly benefited from this workshop.

Awareness Programing: Committee; survive stitutions/s-

A community service initiative activity refers to a specific ratio or project carried out as part of a furger community service of not. These activities are designed to address portional method within a community and provide to again be bounded, whether thinggli during accidence, education of anythogonal improvement. They are surger volunteer participation and collaboration to make a positive impact.

The outcome of community service inningious safers to the promine cavality or impaces that are activities.

- 6. Improved Quality of Life
- 7. Stronger Community Donds
- 1. Personal County and Development
- 9. Nimitive Special Character
- 10. Engineeral loops some

#### Feedback

Foreflock on community service initiatives is exacted for understanding their impact, suprising farms afforts, and ensuring the manipulatility of programs. Feedback and community members, brack-to-process including participants (volunteers and community members), brack-to-processational feedback flow as breakdown of Key aspects of feedback flow community service militatives:

#### Complication

In conclusion, community service initiatives play a vital risk in addressing the needs and challenges of communities while fortering a sense of unity, responsibility, and shared purpose. By engaging individuals in meaningful activities that aim to improve the flows of others, these initialities contribute to acciut, environmental, and economic well-being. The outcomes of migh officits are far-reacting—steengthening community bonds, raining assumes of key issues, emprovering voluceable groups, and economy positive, lasting change.

### Awareness Program on

# Disaster Preparedness and Response

Disaster Preparedness and Response are aracial espects of mittening the impact of quantum, emoring the safety and seed-being of communities, and providing of fective recurves.

Base two phases are interretained but distinct. Here's an exercises of both-

Disaster Preparedness

Diseases proposed terrollics planning and taking projective steps to ensure that communities and individuals are ready to impoint when a disease occurs. The goal is to eximitize the oil life and property damage.

Rex components of distance perpendiscs metals:

- Blak Assessment: Rientifying the types of diseases that could impact a community (corresponds, flicate formation, story and studentsociety the vulnivalities of local populations had infrastructure.
- Emergency Plans: Developing and againsts updating entergency response plans. These
  plans should address extremation times, communication trategies, sheller business, and
  from ad.
- Emining & Drille: Conducting amount programs and consistions for Gest requisition.
   Spent officials, and the growing public to practice emergency procedure.

## Conclinion on Disputer Preparedness and Heapsusa

Disaster preparedness and response are foundament to subgranting likes, minimizing damage, and enabling communities as recover affectively from extension resemble some. By preservely properting for disasters and responding swiftly, communities are reduce the little of life, occurrent damage, and large-term social disriptions.

Respected Sir.

Sub: Request for Permission to Organize a One-Day Awarmness Programme on National Voters Day dated on 10th February 2024- Reg.

It is our pleasure to propose the organization for a One-Day Awareness Programme on National Voters Day dated on 10<sup>th</sup> February 2024. This awareness programmealms to enhance the knowledge and alcilla of students in this practial area, contributing to their professional growth and academic development.

In this regard, we kindly request your approval to organize the name at Narsimba Reddy Engineering College (Autonomous), Hyderabad, under the guidance of the School of Computer Science.

We look forward to your kind approval and support for the successful conduct of this program.

Yours faithfully,

(Dr.Srinivas Rao Nidamanuru)

### CIRCULAR

Subject: Invitation to One Day Awareness Program on National Voters Day.

Dear Students.

We are pleased to inform you that the School of Computer Science Engineering has organized a "One Day Awareness Program on National Votors Day". This event is scheduled to take place on 10<sup>th</sup> February 2024/rom 10:00 am to 04:00 pm in ABK Block, Seminar Hall.

We are homogred to have Mr. S. Nandakumar, Programme Officer — NSS, Coimbatore lestitute of Technology, a distinguished expert in the field as our speaker. We request all students to attend this insightful session and to motivate their friends to join as well. Your involvement will significantly contribute to the enrichment of our scadenic environment and the permution of voters awareness practices.

We look forward to your active participation.

Thunk you.

### [Through Proper Channel]

Respected Sir.

Sub: Request for Permission to Organize a One Day Program on Road Sidely Assumptionfated on 16<sup>th</sup> March 2024-Reg.

It is our pleasure to propose the organization for a One Day Program on Road Safety Assurance stated on 16.03.2024. This assurante programmes ims to enhance the knowledge and skills of students in this crucial area, contributing to their professional growth and academic development.

In this regard, we kindly request your approval to organize the same at Namim'in Reddy Engineering College (Autonomous), Hydershad, under the guidence of the School of Computer Science.

We look forward to your kind approval and support for the succentral conduct of this program.

Yours faithfully,

Dr. Dilpep Kannar Roddy Pallala)

Profuner - CSE

### CIRCULAR

Subject: Invitation to One Day Program on Road Safety Awareness Dear Students.

We are pleased to inform you that the School of Computer Science Engineering has organized a "One Day Program on Road Safety Awareness". This event is scheduled to take place on 16<sup>th</sup> March 2024from 10:00 am to 04:00 pm in ABK Block, Seminar Hall.

We are becomed to have Mr. Nanjesh Bennur, Chairman Youth Red Cross, Karnataka State Committee, a distinguished expert in the field, as our speaker. We request all students to attend this insightful session and to motivate their friends to join as well. Your involvement will eignificantly contribute to the surichment of our scudenic environment and the promotion of road safety practices:

We look forward to your active participation.

Thunk you
