Outcome workshop/ Benefit in terms of learning/Skill/Knowledge obtained	At the end of the TECH BID 2K26 – Quiz Competition, participants achieved the following learning outcomes: • Enhanced their technical knowledge in Computer Science, Artificial Intelligence, Machine Learning, Programming, and General Technology. • Improved logical reasoning, analytical thinking, and problem-solving abilities by answering challenging quiz questions. • Developed quick decision-making skills through Rapid Fire and Buzzer rounds under time constraints. • Strengthened teamwork, collaboration, and communication skills by

	participating in two-member teams. Increased confidence and presentation skills while competing in front of peers and faculty members. Gained exposure to competitive learning environments, encouraging continuous self-improvement and knowledge enhancement.
Brief Report:	The Department of Artificial Intelligence and Machine Learning (AIML), Narsimha Reddy Engineering College (Autonomous), successfully organized TECH BID 2K26 – Quiz Competition on 09 July 2026 with the objective of promoting technical knowledge, critical thinking, teamwork, and competitive learning among students. The event was planned to provide an engaging platform where students could demonstrate their technical expertise while improving their communication, analytical, and decision-making skills through a series of challenging quiz rounds. <u>CO/PO MAPPING WITH SDGS</u> The TECH BID 2K26 – Quiz Competition successfully enhanced students' technical competency, critical thinking, teamwork, leadership, communication skills, and lifelong learning attitude. The event effectively supported the attainment of PO1, PO2, PO3, PO5, PO9, PO10, PO11, and PO12, along with PSO1 and PSO2, while contributing to SDG 4, SDG 8, SDG 9, and SDG 17 through an engaging and outcome-based learning experience.
Winner Team Names	TECH BID 2K26 – Quiz Competition are: First prize: Matrix Masters Second prize: Core Coders
