Event Report

Academic Year	2026-2027
Name of the Programme	Workshop on "Strategy to Crack GATE, ESE, PSU's & Other Competitive Exams"
Program Type*	Co-Curricular
Start Date :	10-09-2026
End Date :	10-09-2026
Time:	10:30AM to 12:00PM
Venue:	MT Seminar Hall
Mode of Session	Offline
Classes Covered	2 nd & 3 rd Year
Number of Students Participants	64
Faculty Coordinators	Dr. D Simhana Devi, Asst. Prof.,
Objective of The Event	- To guide students on cracking GATE, ESE, PSU and other competitive exams. - To provide effective strategies and preparation techniques for competitive exams. - To motivate students and build the right mindset for exam preparation. - To create awareness about various career opportunities through competitive exams. - To enhance students' chances of securing higher education and government jobs.
Outcomes	- Students gained clarity on exam patterns, syllabus, and preparation strategies for GATE, ESE, PSUs, and other competitive exams. - Students were motivated and developed a positive mindset to approach competitive exams with confidence. - Participants became aware of diverse career opportunities available through competitive exams. - Students received expert guidance and practical tips from the resource person to plan their preparation effectively. - Attendees were better equipped to plan their studies systematically and improve their chances of securing higher education and government jobs.

The Department of Mechanical Engineering, Narsimha Reddy Engineering College (NRCM), organized a workshop on "Strategy to Crack GATE, ESE, PSU's & Other Competitive Exams". The session was led by Mr. Arun Singh, a motivational speaker, and coordinated by Dr. D Simhana Devi, HoD, ME. The workshop aimed to guide, motivate, and equip Mechanical Engineering students with effective strategies to crack competitive exams. Students gained clarity on exam patterns, syllabus, and preparation techniques, and were motivated to plan their studies systematically. The session also created awareness about diverse career opportunities through GATE, ESE, and PSUs. Overall, the workshop was informative and motivating, benefiting students in their career preparation journey.

Mapping PO'S:

This Workshop significantly contributed to the attainment of the following **Program Outcomes (POs)**:

- **PO1:** Core engineering knowledge applied to exam preparation.
- **PO12:** Promoted life-long learning and continuous self-improvement
- **PO2, PO5, PO8, PO9, PO10, PO11:** Problem analysis, tools, ethics, teamwork, communication, and management.

The workshop also supported:

- **SDG 4 – Quality Education:** The workshop directly contributes to quality education by providing students with guidance on competitive exams (GATE, ESE, PSUs), career planning, and skill development beyond the regular curriculum. It promotes lifelong learning opportunities.
- **SDG 8 – Decent Work and Economic Growth:** By equipping students with strategies to crack competitive exams, the workshop enhances their employability and prospects for decent work in government sectors (ESE/PSUs) and higher education, contributing to economic growth.
