NARSIMHA REDDY ENGINEERING COLLEGE:

Respected Sir/ Madam,

Greetings from Tata STRIVE and Anudip Foundation for Social Welfare.

Since its very initiation in the December of 2015, the partnership between Tata Communications Ltd andTata STRIVE has been a successful one– especially towards impactingthe goal of skilling underprivileged youth. However, with over 12 million youth entering the workforce every year, clearly more needs to be done.

The significance of intervening across the entire value chain of skill development for better impact was much felt by both the partners and accordingly, the scope of partnership has been further extended to include development of new courses, broaden the skill development stakeholder reach, i.e. include other skill development institutes, colleges etc.

"Institute Enrichment Programme (IEP) IGNITE in Engineering Colleges" will be implemented under the CSR Initiative of Tata Communications Ltd.

We are glad to inform you that Anudip Foundation for Social Welfare and Tata STRIVE (Tata Community Initiatives Trust) are stepping forward on a new initiative namely, **"Institute Enrichment Programme (IEP) IGNITE in Engineering Colleges"**. We would request you to take a look at the following pointers involved in the project-

The program includes unique and job-orientated courses which are a blend of domain (developed and designed by Anudip) and soft skill courses (Youth Development Module – YDM by Tata STRIVE) focusing on inner transformation and employability.It would also aid in certifying and placing the students from the shortlisted engineering colleges in Chennai, Bengaluru and Hyderabad in the year 2020 – 21.The program seeks to make a future-ready workforce of the students, while providing them a market-aligned industry-relevant training (Cyber Security with Ethical Hacking and Web Designing)

TCIT has been set up by Tata Sons to execute its group CSR Programme including environmental services, community services (which includes disaster response and Group Focus Initiatives). In keeping with the core Tata values, various Tata companies have invested significantly in initiatives aimed at improving the quality of life of the communities they serve, both at the grass-root level as well as by building institutions of national importance. Tata STRIVE, is the
Anudip Foundation -

skill development initiative under TCIT. It addresses the pressing need of skilling India's youth for employment, entrepreneurship and community enterprise. Tata STRIVE aims to skill young people and enable livelihood in the age group 18-35 years, with a special focus on youth from disadvantaged communities, including women, people with disabilities, SC/ST etc. Now TCIT is operating under the aegis of Tata Trusts and implementing all skill development initiatives of Tata Trusts.

Anudip is a non-profit organization with operations in India and USA, Anudip has been empowering motivated young job aspirants from difficult backgrounds since 2007. Anudip beneficiaries are youth and women from high-need, marginalized communities; people with disabilities or victims of trafficking. Anudip has impacted 1,00,000 (approx.) crisis-stricken people from difficult backgrounds since 2007.

We seek permissionto render with some assistance for the collaborative project which will only be possible with your partnership. Your institution is an important pillar for this project and for the benefit of the students of your institution.

We are assuring you that no data gathered is going to be used for any commercial purpose, and will stay in our database fully protected. We would kindly request you to help us with identification of students fit for this course, and for using your premises for training processes. Your cooperation is highly appreciated.

(Registration No. 997 of 23SEP2014 at New Delhi; PAN AACTT4708J)

To,

Dr. P SEKHAR BABU, Principal,

NARSIMHA REDDY ENGINEERING COLLEGE.

Subject: Collaborating with Tata STRIVE to conduct "Campus Training for final year students" at Narsimha Reddy Engineering College.

Tata STRIVE, the skill development initiative of Tata Trusts under *Tata Community Initiatives Trust* addresses pressing need of skilling India's Youth for Employment, Entrepreneurship and Community Enterprise.

Tata STRIVE develops courses which are in sync with the current market demand and industry requirement and looks to cater the entry level job roles.

Its holistic approach is to skill youth, enable and empower them to be more industry and job ready, which further bridges the gap of being educated but unemployed.

Tata STRIVE is keen to partner with your esteemed educational institution in this unique and empowering journey.

Tata STRIVE proposes to run **360 hrs (280 hrs Domain, 80 hrs soft skills and 42 hrs YDM) programme** for the following target group.

- For students who are in final year of graduation

About
- Cyber Security & Ethical Hacking
- Web Designing courses

The Cyber Security & Ethical Hacking, Web Designing courses are developed by Anudip Foundation in collaboration with Tata Strive.

Cyber Security & Ethical Hacking :
It teaches the learners about importance of security testing, learning ethical hacking is also useful from a tools perspective. By gaining familiarity and proficiency with these tools, a developer can learn coding errors that they should avoid and how to efficiently test for code vulnerabilities.

Web designing is an art. It has become more popular than before, web site plays major role for any business or enterprises. And it is very easy for people those who have prior designing knowledge and artistic talent.   And also helpful for professional development, placement approach etc.

About *Tata STRIVE – Youth Development Modules (Life Skills Training)*
The Tata STRIVE Programme seeks to develop youth holistically, by focusing on the connection between the Head-Heart-Hand. Through this program, experiences are created for beneficiaries to realize their values, beliefs and potential.

G. Sai Raghava
Anudip Foundation -

TATA COMMUNITY INITIATIVES TRUST

Tata STRIVE shall ensure Training and Certification of the youth and seeks the support of the college in following solicited areas.

a. Assigning a single point of contract (SPOC) from Institute supporting Tata STRIVE team for executing the programme.
b. Access to student data those students who are currently in the final year of graduation of the college.
c. Mobilization of final year students
d. Dedicated classroom/hall- 1/2 nos. with 35 student seating capacity
e. Projector/LCD/LED Screen and White Board
f. Access to Computer Lab with atleast 8 computers with internet connection
g. Basic infrastructure (Wash rooms, Drinking Water and Electricity)
h. Support in ensuring mandatory student attendance for the proposed course (Minimum 80% as per Tata STRIVE requirements)
i. Space with high visibility for branding.
j. Placement details of students completing certification for post-placement tracking.

This Letter of Intent (LOI) is valid for a period of One Years from the date of signing, after which all terms & conditions governing this LOI shall be void unless revised or extended.

Looking forward to working with your esteemed educational institution for a larger goodwill of Empowering Youth with the Right Skills and a Bright Future.

Thanking you,

Yours Truly,
Sudhakar Gudipati

Name of Institute	Narsimha Reddy Engineering College	Trust Name	Jakkula Educational Society
Address	Maisammaguda, Dhulapally, Kompally, Secunderabad-500100.	Principal Details (Mobile & Email ID)	Dr. P. Sekhar Babu - 9949092454 , principal@nrcmec.org
		Alternate Contact Details	Dr. Honey Durga Tiwari - 9165437352, hodece@nrcmec.org
Establishment Year	2007	College Website	http://www.nrcmec.org/
Institute Affiliation	JNTUH		

Instructions:

1. Rating is based on the scale of 1 to 5, where 5 is the highest.
2. Each parameter is assigned a weightage basis their level of importance.
3. Actual weightage is calculated based on the rating percentage of that parameter.
4. Do not make any changes in the form. Drop down for Rating Scale from 1 to 5 is assigned to each parameter.
5. All fields are mandatory. Sub Parameter Rating (column E) & Actual Weightage (Column F) are auto populated.
6. TS to proceed further, if the Overall DD rating is above 70%

Parameters	Allocated Weightage	Sub-Parameters	Sub Parameter Rating Scale	Sub Parameter Rating %	Actual Weightage	Indicators/Guidelines
Institute's Overall Background	20%	Admission cut-off for students	4	84%	17%	Categorisation: 40%-50% = 5 |51%-60% = 4 |61%-74% = 3 |>75% = 2
		Course Fees for Students	3			Rate higher if the fees are less.
		Similar Courses offered by Institute	5			No. of Courses: No similar course =5 | If more courses are offered rating will be low
		Institute placement record	4			Rate higher if the placement record is low
		Recognition to Institute	5			Rate higher if the institute is recognised recently
		Total Rating	**21**			
Students Background	15%	Reservations - SC/ST, Minority, OBC, Open	3	87%	13%	SC/ST/Minority higher >50% = 5| 40%-49% = 4| 30%-39% = 3|<30% = 2
		Students working	2			Rate higher if maximum students are not working
		Type of Learner i.e., First Generation or Second Generation	3			Rate higher if maximum students are first generation learner
		Students falling - APL/BPL	5			Rate higher if maximum students are from BPL
		Total Rating	**13**			
Institute's Commitment	30%	Involvement of Principal	5	85%	26%	Rating to be ascertain basis the response given by Principal
		Involvement of SPOC	4			Rating to be ascertain basis the response given by SPOC
		Willingness of Institute	5			Rate higher if Institute is willing to run TS programme
						Rate higher if suitable time is allocated to TS programme
		Timing given for TS programme	3			(the gap between last lecture & TS programme should not be more than 1 hour)
		Total Rating	**17**			
Institute's Infrastructure	35%	Auditorium/Seminar hall available	5	100%	35%	Rate higher if auditorium/seminar hall is sufficient to accommodate the target audience
		Dedicated classrooms available	5			Rate higher if college has assigned classrooms as per TS specification
		Computer Lab with internet connectivity	5			Rate higher if college has assigned sufficient computers computers with internet conective
		Projector in Classroom	5			Rate higher if projector is in good working condition
		Branding permission granted	5			Rate higher if branding is allowed as per TS specification
		Total Rating	**25**			
		Overall Rating			**90%**	
		Overall Observations				It's found good and suitable for the requirements/expectations

Prepared By	Dr. Honey Durga Tiwari (ECE-HOD) - Narsimha Reddy Engineering College
Institute Visit Date	11-Sep-20

Anudip Foundation

	Check Points	Answers
	Which is the nearest railway station/Bus Stop/Auto Stand?	Mangalpalli Busstop/Auto Stand
Travelling to Institute	How far is the institute from the nearest railway station/Bus stop/Auto Stand? (in KMs/travel time)	0.5 kms
	Is there a share transport available to commute? If yes, what is it?	Yes, we can go by auto's
	What is the fare of transport?	Rs. 20/-
	How far is the institute from TS Centre? (in KMs/travel time)	Campus Training
	Is there sufficient movement of people & traffic near the institute vicinity	Yes, There is sufficient movement of people near institute
	Are there any shops near the institute?	Canteen Availability is there
Institute Vicinity	Is the institute situated in residential area?	Yes
	Is the institute situated in industrial area?	No
	Is there a Police station located within 3 km radius?	Yes, Ibrahimpatnam Police Station
	Survey within perimeter to identify any recent incidents of security lapse	-
Institute Security	Is there a security guard available in the Institute premises?	Yes
	Institute premises secured with a gate and perimeter wall?	Yes
	Are there CCTV cameras in institute?	Yes available
	Overall Observation	we can successfully implement the program by following all the parameters.
Team Member	Recommendation	Till reopen the college we need to go for online classes.
