ABOUT NRCM

Narsimha Reddy Engineering College (NRCM) is promoted & managed under the inspiring & dynamic Chairmanship of Sri. J. Narsimha Reddy and a fleet of dedicated members. This is the first institution belonging to JAKKULA EDUCATIONAL SOCIETY was established in 2007 to serve the people of this backward region of the state of Andhra Pradesh (India). The institute has total built up area of around 200000 sq ft., with well-designed airy Classrooms, Laboratories, Seminar hall, Conference hall & Administrative section. The built up area is well above the requirement, prescribed by the All India Council for Technical Education, New Delhi.

Chairman's Message

In today's dynamic world, engineering plays a pivotal role in shaping the future. Innovations and breakthroughs in science and technology are the driving forces behind global progress. As an engineering college, we are not just a place of learning but a hub for innovation and creativity. Our mission is to nurture and inspire the next generation of engineers, researchers, and problem solvers.

"Engineering is the art of directing the great sources of power in nature for the use and convenience of humankind."

Sri J NARSIMHA REDDY
Founder Chairman

Secretary's Message

Sri J TRISHUL REDDY
Secretary

Our college has a rich tradition of nurturing young minds and fostering innovation in the field of engineering. As we step into another academic year, I am filled with optimism and a sense of purpose. Our college is not just a place of learning; it's a community where dreams are shaped, ideas are born, and knowledge is transformed into real-world solutions.

"Behind every achievement, there's an intricate network of support. I'm here to ensure that the gears of NRCM turn seamlessly for your success."

Treasurer's Message

Our college has a rich history of academic excellence and innovation. As we embark on another academic year, I am excited about the opportunities and challenges that lie ahead. In today's world, a strong financial foundation is crucial to support our mission of providing the best possible education and resources to our students and faculty.

"Investing in knowledge to build a brighter future."

Sri J Thrilok Reddy
Treasurer

Director's Message

Dr A Mohan Babu
Director

Our college has a legacy of excellence in engineering education, research, and a tradition of nurturing exceptional talent. We have consistently strived to create an environment where ideas are born, dreams are realized, and the next generation of engineers is sculpted.

"Cultivating the minds of future engineers, we shape the blueprint of tomorrow's innovations and progress."

Principal's Message

Our college stands as a beacon of learning and innovation, where knowledge is cultivated, and dreams are realized. We have a legacy of producing engineers who have gone on to shape the world, and I am honored to lead this institution in continuing this tradition.

"Engineering is not just a profession; it's a passion, a commitment to shaping the future."

Dr R Lokanadham
Principal

FRESHMAN ORIENTATION PROGRAMME 2K22

V.V. LAKSHMI NARAYANA

Vasagiri Venkata Lakshminarayana popularly known as JD Lakshmi Narayana, is an Indian retired police officer and politician from Andhra Pradesh. He served as the Additional Director General of Police in Mumbai, Maharashtra. He is known for leading the investigations like OMC Scandal, Emaar Properties, Y S Jagan Mohan Reddy Case, Satyam Scandal and Disproportionate Assets.[1][2] He had previously held the post of Joint Commissioner of Police of Thane, Maharashtra and before that as Inspector general of police Rank under Y-category security for dealing with high-profile corruption cases.[3][4] He contested from Visakhapatnam constituency in the 2019 Indian general election from Jana Sena Party.

29.OCT.2K22

Chairman Shri J. Narsimha Reddy passionately emphasized the value of hard work in his speech, citing his own journey to success as an example. He shared how his dedication and relentless effort had been pivotal in achieving his goals. His inspiring words served as a testament to the fact that diligence and perseverance can truly lead to remarkable accomplishments, motivating others to follow a similar path to success.

J Narsimha Reddy

Chairman, NRCM

J Trishul Reddy

Secretary, NRCM

J. Trishul Reddy has eloquently articulated the significance of technology, top-notch placement opportunities, and a senior faculty team dedicated to nurturing students' growth. These pillars are instrumental in sculpting a promising and prosperous future for our students, equipping them for success in the dynamic world beyond.

FRESHMAN ENGINEERING

Induction Programme

- Induction program was organized to familiarize newly enrolled BTech students with the academic environment. Subjects such as English, mathematics, physics, and chemistry were covered, emphasizing their relevance to engineering life. This comprehensive approach boosted students' confidence and provided insights into how they can effectively tackle the challenges that lie ahead in their academic journey.

Soft Skills training programs attended by Students:

- In an effort to prepare B.Tech first-year students for success in the corporate world, a comprehensive Soft skills classes incorporating technical skills, a computer-aided exam was introduced, allowing students to assess and improve their proficiency. The expert English faculty played a crucial role in refining communication and soft skills, recognizing their importance in today's competitive job market. This holistic approach ensures that students not only excel in their technical competencies but are also well-equipped to navigate the demands of the corporate world, where effective communication and soft skills are highly valued.

women's day celebrations

International Women's Day, celebrated on March 8th, is a global day celebrating the social, economic, cultural, and political achievements of women. It also serves as a call to action for accelerating gender parity and promoting women's rights and empowerment worldwide.

Chief Editor's Message**MR. D SRINIVAS**

**Asst. Professor & Dean ICT
Editor-in-Chief**

"NRCM PULSE" is a reflection of our commitment to excellence and a testament to the incredible talent that our college fosters. It's a platform for sharing knowledge, ideas, and inspiration. NRCM is dedicated to fostering a well-rounded educational experience, seamlessly integrating rigorous academics with meaningful social engagement. As you flip through these pages, you'll gain insights into the daily triumphs and milestones that our students and faculty have achieved, making us proud and continually pushing the boundaries of what's possible.

"The red pen in an editor's hand is like a sculptor's chisel, chipping away the excess to reveal the true form of a literary work."
