

NRCM PULSE

A NEWSLETTER

JAN - JUN 2025

ISBN 978-81-989419-0-9

@NarsimhaReddyEngineeringCollege

FROM THE EDITOR'S DESK

As the Editor-in-Chief of "**NRCM PULSE**" Newsletter, it is both an honor and a responsibility to curate and present the vibrant journey of our institution through these pages. This publication is not just a collection of reports—it is a narrative of dedication, achievement, creativity, and collaboration that defines NRCM's academic and cultural ecosystem.

I extend my heartfelt gratitude to the visionary leadership of our esteemed management, whose unwavering support has laid the foundation for excellence.

Prof. D SRINIVAS
Dean - ICT
Editor-in-Chief

I would also like to extend my sincere appreciation to the esteemed leadership of our institution.

Dr. A. Mohan, Director, is a dynamic and visionary academician whose mentorship and foresight have been instrumental in enhancing the academic and institutional excellence of NRCM.

Dr. R. Lokanadham, Principal, whose committed leadership, integrity, and unwavering focus on academic rigor and student development have consistently guided the institution towards greater achievements.

Their collective vision and encouragement have been vital in shaping this newsletter as an authentic reflection of NRCM's vibrant academic and cultural environment. It is a privilege to serve as a conduit between the life of our campus and the readers of **NRCM PULSE**.

CHIEF EDITOR'S MESSAGE:

"**NRCM PULSE**" is a reflection of our commitment to excellence and a testament to the incredible talent that our college fosters. It's a platform for sharing knowledge, ideas, and inspiration. NRCM is dedicated to fostering a well-rounded educational experience, seamlessly integrating rigorous academics with meaningful social engagement. As you flip through these pages, you'll gain insights into the daily triumphs and milestones that our students and faculty have achieved, making us proud and continually pushing the boundaries of what's possible.

"The red pen in an editor's hand is like a sculptor's chisel, chipping away the excess to reveal the true form of a literary work."

OUR EDITORIAL BOARD

This edition of the **NRCM PULSE** Newsletter is brought to you by a dedicated team of department heads who have meticulously curated, compiled, and refined their respective departments with passion and precision. Who worked collaboratively to bring you insightful updates and achievements from across the NRCM campus.

The helm of this initiative is our esteemed editorial heads, guiding the vision and quality of the newsletter.

Their commitment to excellence in content and presentation reflects the vibrant spirit of our institution. Together, the board ensures every edition reflects the spirit, achievements, and voice of the institution.

ABOUT NRCM

Narsimha Reddy Engineering College (NRCM) is promoted & managed under the inspiring & dynamic Chairmanship of Sri. J. Narsimha Reddy and a fleet of dedicated members. This is the first institution belonging to JAKKULA EDUCATIONAL SOCIETY was established in 2007 to serve the people of this backward region of the state of Andhra Pradesh (India). The institute has total built up area of around 200000 sq ft., with well-designed airy Classrooms, Laboratories, Seminar hall, Conference hall & Administrative section. The built up area is well above the requirement, prescribed by the All India Council for Technical Education, New Delhi.

VISION

To emerge as a destination for higher education by transforming learners into achievers by creating, encouraging and thus building a supportive academic environment.

MISSION

- M1: Adapt continuous improvements in innovative teaching, to and learning transform entrepreneurs in multi-disciplinary fields.
- M2: Develop an innovative ecosystem with strong involvement and participation of students and faculty members.
- M3: Impart a National development spirit among the students to utilize their knowledge and skills for societal benefits with ethical values.

QUALITY POLICY

To impart Quality Technical Education and to undertake Research and Development with a focus on application and innovation which offers an appropriate solution to the emerging societal needs by making the students globally competitive, morally valuable and socially responsible citizens.

Chairman's Message

In today's dynamic world, engineering plays a pivotal role in shaping the future. Innovations and breakthroughs in science and technology are the driving forces behind global progress. As an engineering college, we are not just a place of learning but a hub for innovation and creativity. Our mission is to nurture and inspire the next generation of engineers, researchers, and problem solvers.

"Engineering is the art of directing the great sources of power in nature for the use and convenience of humankind."

Sri J NARSIMHA REDDY
Founder Chairman

Secretary's Message

Sri J TRISHUL REDDY
Secretary

Our college has a rich tradition of nurturing young minds and fostering innovation in the field of engineering. As we step into another academic year, I am filled with optimism and a sense of purpose. Our college is not just a place of learning; it's a community where dreams are shaped, ideas are born, and knowledge is transformed into real-world solutions.

"Behind every achievement, there's an intricate network of support. I'm here to ensure that the gears of NRCM turn seamlessly for your success."

Treasurer's Message

Our college has a rich history of academic excellence and innovation. As we embark on another academic year, I am excited about the opportunities and challenges that lie ahead. In today's world, a strong financial foundation is crucial to support our mission of providing the best possible education and resources to our students and faculty.

"Investing in knowledge to build a brighter future."

Sri J Thrilok Reddy
Treasurer

Director's Message

Dr A Mohan Babu
Director

Our college has a legacy of excellence in engineering education, research, and a tradition of nurturing exceptional talent. We have consistently strived to create an environment where ideas are born, dreams are realized, and the next generation of engineers is sculpted.

"Cultivating the minds of future engineers, we shape the blueprint of tomorrow's innovations and progress."

Principal's Message

Our college stands as a beacon of learning and innovation, where knowledge is cultivated, and dreams are realized. We have a legacy of producing engineers who have gone on to shape the world, and I am honored to lead this institution in continuing this tradition.

"Engineering is not just a profession; it's a passion, a commitment to shaping the future."

Dr R Lokanadham
Principal [Read More](#)

COLLEGE EVENTS

SANKRANTHI SAMBARALU 2025

NRCM campus came alive with vibrant colors and festive spirit as students, faculty, and staff gathered to celebrate **Sankranti Sambaralu 2025** on 9th Jan, 2025. The event commenced with the traditional lamp-lighting ceremony, symbolizing the triumph of light over darkness and the start of auspicious festivities.

IT PARK INAGURATION

Narsimha Reddy Engineering College (NRCM) proudly inaugurated its state-of-the-art **IT Park** on February 12th, 2025. The new block was officially opened by Prof. V. Balakista Reddy, Chairman-TGSHE and Vice-Chancellor (I/c), JNTUH, marking a significant milestone in the institution's journey towards technological excellence and innovation.

CSI EXCELLENCE AWARDS

NRCM has earned outstanding recognition at the **CSI Annual Excellence Awards 2025** on 21st June, 2025. First-year CSE students secured **second prize in a 24-hour hackathon** hosted by Anurag University and the CSI Hyderabad Chapter. The institution also received the **Best Supporting Management Award**, while **Dr. R. Lokanadham** was honored with the **Best Emerging Principal Award**.

Dr. N. Srinivasa Rao received the **Best Student Counselor award**, showcasing the college's excellence in leadership, innovation, and student achievement. This reflects the college's unwavering commitment to academic excellence, innovation, and holistic development.

A NATIONAL-LEVEL PROJECT EXPO : IGNITE 2025

Narsimha Reddy Engineering College (NRCM) hosted the prestigious national-level project expo, **IGNITE 2K25**, on February 21, 2025. The event brought together over 300 project teams from engineering colleges across four states, with more than 3,000 students participating. IGNITE 2K25 provided a dynamic platform for young innovators to exhibit their creativity and technical expertise through a diverse array of projects. The expo aimed to foster innovation, encourage collaboration, and recognize outstanding student achievements, reinforcing NRCM's commitment to academic excellence and research-driven learning.

INTERCOLLEGIATE SPORTS MEET UTKRISHT-2K25

Narsimha Reddy Engineering College (NRCM) proudly organized **UTKRISHT 2K25**, from 3rd March to 5th March 2025, an intercollegiate sports meet that brought together students from various institutions to compete with strength, spirit, and sportsmanship. The event was marked by high energy, enthusiastic participation, and memorable moments, celebrating athletic excellence and camaraderie on campus.

CODESTORM 2K25

Narsimha Reddy Engineering College (NRCM) successfully organized **CodeStorm 2K25**, an adrenaline-packed 8-hour hackathon exclusively for first-year engineering students. Held on April 25, 2025, the event provided a dynamic platform for young coders to showcase their problem-solving skills, creativity, and teamwork in a competitive environment. CodeStorm 2K25 highlighted NRCM's commitment to fostering innovation and technical excellence among its students.

INTERNATIONAL WOMEN'S DAY CELEBRATIONS

Narsimha Reddy Engineering College (NRCM) celebrated **National Women's Day** on March 8, 2025, unity, and resilience of women in the campus community. The event featured inspiring talks and activities aimed at empowering women and fostering a spirit of inclusivity and respect. Special guest Manasa Konda, founder of Giggles Photography, Hyderabad, graced the occasion, making the celebration both memorable and impactful for students & staff.

14th GRADUATION DAY CELEBRATIONS

Narsimha Reddy Engineering College (NRCM) proudly hosted its **14th Graduation Day** ceremony on June 14, 2025. The event was a memorable occasion marking the academic achievements of the graduating batch, celebrated with great enthusiasm by students, faculty, and staff. The convocation highlighted the college's commitment to excellence in education and the bright futures awaiting its graduates. The ceremony was graced by dignitaries and filled with inspiring moments, making it a proud milestone in NRCM's journey.

INTERNATIONAL YOGA DAY CELEBRATIONS

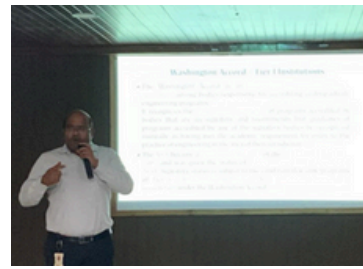

Narsimha Reddy Engineering College (NRCM) celebrated **International Yoga Day** on June 21, 2025, with great enthusiasm and participation from students and faculty. The event promoted the importance of yoga for a healthy body, peaceful mind, and overall well-being, reflecting NRCM's commitment to holistic development and wellness on campus.

INSTITUTIONAL INNOVATION CELL (IIC)

ONE DAY SEMINAR ON NBA SELF-ASSESSMENT REPORT

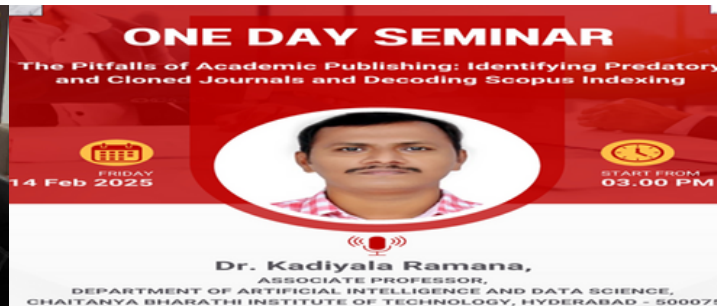

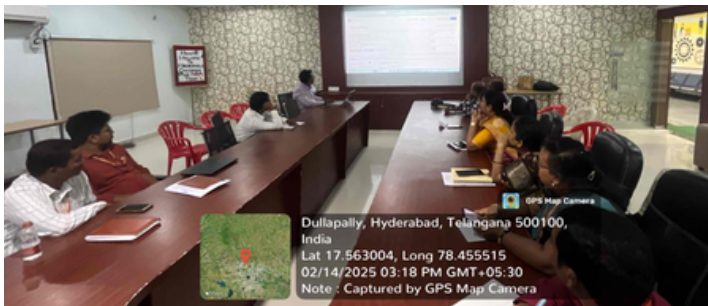

The One Day Seminar on **Preparation of NBA Self-Assessment Report** for Tier-I Institutions was successfully conducted on 4th March 2025, from 1:00 PM to 4:00 PM, in an offline mode at NRCM.

The event was graced by **Prof. P. Gopala Krishna**, Dean, Assessment & Accreditations, Gokaraju Rangaraju Institute of Engineering and Technology, as the Chief Guest. He provided valuable insights into the accreditation process, self-assessment report preparation, and the key criteria for NBA accreditation, specifically for Tier-I institutions.

A WORKSHOP ON THE PITFALLS OF ACADEMIC PUBLISHING

The Department of IIC Cell organized a one-day workshop titled **"The Pitfalls of Academic Publishing: Identifying Predatory and Cloned Journals and Decoding Scopus Indexing"** on 14th February 2025 by Dr. K Ramana. The session aimed to create awareness among faculty, researchers, and students regarding the increasing threat of predatory and cloned journals, and the importance of publishing in reputed and indexed journals.

ONE DAY WORKSHOP - SECURING CYBER SPACE

The IIC Cell, NRCM Hyderabad, organized a one-day seminar on **"Securing Cyber Space - A Challenge for Today's Digital World"** on 12th February 2025. The event aimed to address the pressing challenges in cyber security and explore advanced measures for securing digital infrastructure. Experts from the field delivered insightful sessions on topics such as cyber threats, data privacy, ethical hacking, and the role of artificial intelligence in cyber defense.

CAREER DEVELOPMENT CELL (CDC)

LAUNCHING THE TOASTMASTER'S CLUB

CAREER DEVELOPMENT CENTER

LAUNCHING THE TOASTMASTER'S CLUB

CDC TEAM
 Dr. G. Ramu
 Mrs. Lavanya

 Mr. Laxman
 Ms. Nasarat

STUDENT TEAM
 Ms. B. Uma Sravya
 Ms. G. Harshini Durga
 Ms. Y.V. Sarayu
 Mr. I. Akshay Snehlith
 Mr. Nikhil Kumar

NRCM proudly launches the **Toastmaster's Club** under the guidance of the Career Development Center (CDC). A powerful platform to enhance communication, leadership, and public speaking skills for our students. Kudos to the CDC and student teams for driving this initiative forward! As an international organization, Toastmasters provides a supportive environment for members to develop their public speaking, leadership, and communication skills.

1. Improved Public Speaking
2. Leadership Development,
3. Networking Opportunities,
4. Personal Growth

DEVBOOST - SUMMER CAMP

We organized a **Summer Camp Internship** Program focused on **Java Full Stack Development**, offering students an immersive, hands-on learning experience. The program provided in-depth training in core areas including the Java programming language, front-end development using HTML, CSS, and JavaScript.

Students also gained exposure to full stack development methodologies, preparing them for real-world software development environments.

MATHNIFY CLUB INAUGURATION

The **Mathnify Club** inaugurated on 8th May, 2025. The Mathnify Club is dedicated to enhancing students' aptitude, logical reasoning, and problem-solving abilities. The club conducts training sessions, mock tests, group discussions, and guest lectures, creating a dynamic platform for students to sharpen their analytical thinking and communication skills. The Mathnify Club focuses on learning aptitude, which is fantastic for developing problem-solving skills and logical reasoning.

DEPARTMENT OF CSE

CODESTORM 2K25

The Department of CSE at NRCM hosted CODESTORM 2K25, an 8-hour hackathon exclusively for first-year students, sparking innovation and teamwork from the ground up. With 100+ participants and a ₹1,00,000 prize pool.

NATIONAL LEVEL PROJECT EXPO - IGNITE 2K25

Indian Horizon | HYDERA
National Level Project Expo 'IGNITE-2K25' Showcases Innovation at Narsimha Reddy Engineering College

The Department of CSE successfully organized the Freshers' CODESTORM 2K25. An 8-hour hackathon held on 26th April 2025, at IT Park, NRCM. Tailored specifically for first-year engineering students, the event aimed to ignite innovation

ACADEMIC EXCELLENCE AWARDS

The CSE Department is conducting Academic Excellence Awards for the I Semester toppers of 2nd and 3rd year students to motivate and encourage academic achievement. This initiative recognizes and celebrates the hard work and dedication of high-performing students in their academic journey.

FACULTY PAPER PUBLISHINGS/PATENTS

Dr. P. Dileep Kumar Reddy co-authored a research paper titled **"A Perspective Study on Scalable Computation Model for Skin Cancer Detection: Advancements and Challenges"** and also authored another article titled **"A Novel Approach to Sentiment Analysis using GMM-Enhanced N-gram LSTM Networks,"** published in the ETASRJ.

- Several faculty members from NRCM actively participated in various Faculty Development Programs (FDPs) aimed at enhancing their knowledge in cutting-edge technologies. Mr. Vanthadpula Vishnu, Mr. J. Gangadhar, M. Shravani, D. Sunitha, Mr. M. Suresh Babu, Gangaiah P, Paidnla Thirupathi, and M. Anitha attended a 6-day FDP on "Deep Learning for Social Impact" at Narsimha Reddy Engineering College. G. Udaya Kumar from CSE took part in a 5-day FDP on GENAI and Prompt Engineering using Microsoft Copilot at P B Siddhartha College. Mr. J. Gangadhar also joined another FDP on IoT Security at VNR VJIEET, while Gangaiah P participated in an FDP on AI in Sustainable Waste Management by Fr. Conceicao Rodrigues College of Engineering. Additionally, Dr. P. Dileep Kumar Reddy completed a comprehensive 10-day FDP on Deep Learning and Optimization for Healthcare organized by multiple prestigious institutions..

DEPARTMENT OF CSE

COMPUTER SOCIETY OF INDIA FOUNDATION

The CSI Foundation Day Celebrations at NRCM, held on March 6, 2025, in the CSE Block, marked a vibrant tribute to the Computer Society of India's pivotal role in advancing computing and IT. The event featured a keynote by P. Thirupathi on emerging trends like AI and Data Science, inspiring students and faculty alike. Interactive sessions, a technical quiz, and insightful talks fostered enthusiasm for research, professional growth, and active participation in CSI initiatives. The celebration concluded with recognitions, reinforcing NRCM's commitment to nurturing future IT leaders.

STUDENT ACHIEVEMENTS

Congratulations to **Raga Hrithika** for securing First Place in the Brain Blast event at the prestigious national-level technical symposium **"QUEST 2025," held at JNTUH on April 17, 2025.** Her outstanding performance highlights the talent and competitive spirit of our students on a national platform.

DST FUNDED PROJECTS

A project titled **"Empowering the blind with digital literacy - accessible document scanner to generate eBooks and convert Braille into audio format for blind people"** was approved under the DST/SEED/TIDE scheme.

The project is being implemented in the Department of Computer Science and Engineering (CSE). It was sanctioned a The principal investigator for this project is **Dr. P. Dileep Kumar**

grant of ₹46,24,929 on 17th April 2025.

FAREWELL PARTY CELEBRATIONS

The School of Computer Science organized a heartfelt Farewell Day celebration on April 12, 2025, to bid an emotional goodbye to the outgoing batch. The offline event witnessed the enthusiastic participation of around 600 students and faculty members, creating a warm and nostalgic atmosphere. Spearheaded by Dr. G. Ramu, and coordinated with the dedicated efforts of M. Soumya and G. Vara Prasad, the farewell featured memorable speeches, cultural performances, and tokens of appreciation that reflected the deep bond shared among students and faculty.

DEPARTMENT OF CSE(AIML)

GEN AI WORKSHOP

CSE Department at NRCM organized a **Two-Day Hands-On Workshop on Generative AI** from 14th to 15th April 2025, led by AI expert **Mr. Bhanu Prakash**. The workshop provided students with real-time exposure to cutting-edge Gen-AI tools, LLMs, and prompt engineering techniques. Participants engaged in project-based learning, gaining practical insights into AI content generation.

GUEST LECTURE

The Department of CSE at Narsimha Reddy Engineering College hosted an insightful guest lecture on **"Recent Trends in Computer Networks"** on April 15, 2025, at MT Block. **Dr. O. B. V. Ramanaiah**, Senior Professor at

JNTUH University, shared his expertise on emerging technologies like 5G, SDN, IoT, and NFV. The event featured addresses by key dignitaries, inspiring students and faculty to stay updated with the rapidly evolving field of computer networks. The session concluded with a felicitation honoring Dr. Ramanaiah's valuable contributions.

ACADEMIC EXCELLENCE AWARDS

Academic Excellence Awards are presented to students in recognition of their outstanding performance in the odd semesters. This initiative is designed to foster a culture of achievement and inspire students to consistently pursue academic excellence. To make this occasion even more memorable, the award ceremony is held in the presence of both students and their parents.

DEPARTMENT OF CSE(CS)

CONGRATULATIONS TO TASK I4TS FINALIST

We are proud to announce that a student (**Y Harsha Vardhan Raju**) from CSE (Cyber Security) has emerged as a finalist in the prestigious **TASK i4TS Ideathon 2025**. This achievement highlights the student's innovative thinking and problem-solving capabilities in the tech space. Competing among top talents across the state.

ACADEMIC EXCELLENCE AWARDS

Celebrating the shining stars of CSE (Cyber Security) – the Top 3 **Academic Toppers** of the year. These students have consistently demonstrated excellence through their dedication, focus, and relentless pursuit of knowledge. Their achievements reflect the highest standards of academic commitment and perseverance.

CYBER SECURITY 3RD YEAR STUDENTS INTERNSHIPS

Internships are gateways to real-world experience and future success.

We are proud to celebrate our CSE students who have secured internships in esteemed public and private sector organizations.

Their selections reflect not only their talent but also their readiness to face industry challenges.

FACULTY PUBLICATIONS/PATENTS

- **Mrs. P Revathy**, Asst.Prof in CSE(CS) Department has been published conference paper on "**IoT-Integrated Leaf Analysis for Early plant Disease Detection in Agriculture using Hybrid Ensemble Models**", International Conference on Mobile Networks and Wireless Communications (ICMNC).

- **Mr. Prasanjit Singh**, Asst.Prof in CSE(CS) Department has been published Journal Paper on "**Music Recommendation System based on Facial Emotion Detection using Spotify API**", International Journal for Research in Applied Science & Engineering Technology.
- **Mr. Prasanjit Singh**, Asst.Prof in CSE(CS) Department has been granted a patent titled "**UK Design Patent – AI Based Robot for Underground Coal Mines**" (Design No: 6416758), recognizing his innovative contribution to Emerging Technology.

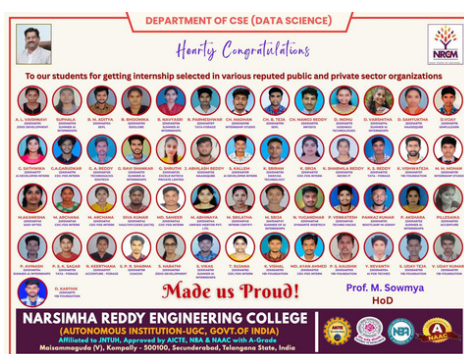

DEPARTMENT OF DS & IT

ACADEMIC EXCELLENCE AWARDS

Celebrating the shining stars of Information Technology & Data Science the Top 2 Academic Toppers of the year. These students have consistently demonstrated excellence through their dedication, focus, and relentless pursuit of knowledge.

STUDENTS INTERNSHIPS

The Department of CSE (Data Science) at NRCM proudly congratulates its students for securing internships in various reputed public and private sector organizations. This outstanding achievement reflects the department's commitment to academic excellence and industry readiness. A total of 63 students have been selected for internships at top companies including TCS, Infosys, Wipro, CDK Global, Virtusa, Hackveda, Codegnan, and many more. Their hard work and dedication, guided by the department's strong mentorship and training programs, have truly made NRCM proud.

FACULTY NPTEL CERTIFICATIONS/RECOGNITIONS

We proudly recognize Kavitha Nallamolu from the Department of IT for being honored as an **NPTEL Discipline Star** for the Jan-Apr 2025 session. This prestigious title is awarded to candidates who excel in more than 50 weeks of NPTEL courses with consistently high scores. Her dedication to continuous learning and academic excellence reflects the strong culture of skill development at NRCM.

FACULTY PAPER PUBLICATIONS/CONFERENCES/PATENTS

- **Dr. Kavitha Nallamothu**, Associate Professor and **Mr. Palem Naresh**, Assistant Professor in Information Technology Department, has been published Scopus Journal on **"A Perspective Study On Scalable Computation Model For Skin Cancer Detection: Advancements And Challenges"**.
- **Dr. Kavitha Nallamothu**, Associate Professor in Information Technology Department, has presented a paper during ICloTCT 2024. Titled **"Recognising Image Manipulations Utilising CNN and ELA"** held at National Institute of Technology Mizoram, Aizawl, Mizoram from 27th September to 28th September 2024.
- **Dr. Kavitha Nallamothu**, Associate Professor in Information Technology Department, published a Patent titled **"AI CRIME CLASSIFIER"** (Application No.202441052694 A) which helps in identifying and categorize the malicious use and abuse of Artificial Intelligence (AI) by examining vulnerabilities in AI systems.

DEPARTMENT OF ECE

ONE-DAY SEMINAR ON TRIBUTE TO SUNITA WILLIAMS

The Department of ECE organized an inspiring seminar titled “Sunitha William’s Incredible Journey from Space to Earth.” The session provided students with valuable insights into the development of cutting-edge materials and robotics.

ACADEMIC EXCELLENCE AWARDS

The **Academic Excellence Awards** Ceremony is a special event recognizing the dedication and excellence of our top-performing students. It celebrates their hard work, discipline, and outstanding achievements throughout the academic year. This celebration inspires the entire student community to set high goals and strive for success.

GUEST LECTURE

The Department of ECE organized a **guest lecture** from 10:00 AM to 4:00 PM for third-year students. The session was led by Chief Guest S. K. Madar, Scientist-B at ISRO, who shared his expertise on the “Application of Microwave Antennas and Circuits for Ground Segments” on 12th April 2025.

SCIENCE DAY CELEBRATION'S ATTENDED BY ECE STUDENTS

The Department of Electronics and Communication Engineering (ECE) proudly participated in the **National Science Day celebrations** held on February 28, 2025, at the Sports Authority of Telangana, Gachibowli, Hyderabad.

FACULTY ATTENDED FDPs/CONFERENCE/WORKSHOPS

- **Dr. G. Naga Jyothi**, Assistant Professor, ECE Department, has successfully published the journal in SCI Q2 on the topic “**Optimization of fractal graphene antenna with dual SiO₂ layers for high-performance terahertz 6G communication.**”
- **Dr. Shoban Mude and B. Raju** co-authored a research paper titled “**Neural Architecture Search (NAS) for Auto-Configurable SoC Designs**” in the International Journal for Multidisciplinary Research.
- **Dr Shoban Mude and B. Raju** co-authored a research paper titled “**Intelligent Routing Algorithms for NoC-Based SoC Using Deep Learning**” in IJRTI
- **Dr Shoban Mude and B. Raju** co-authored a research paper titled “**FPGA-Based SoC Implementation of CNN for Autonomous Vehicle Vision System**” in IJSDR.
- **Dr Shoban Mude and B. Raju** co-authored a research paper titled “**Architectural Advances in VLSI for Efficient AI Processing**” in IJRTI.

DEPARTMENT OF EEE

LAKSHMI HYUNDAI DRIVE

Hyundai Motor India Ltd. recently conducted a placement drive at our institution on 6th feb 2025, providing a valuable opportunity for students to launch their careers with one of the leading automobile manufacturers in the world. The drive witnessed enthusiastic participation from final-year engineering students across various departments.

STUDENT INTERSHIPS

The Department of Electrical and Electronics Engineering (EEE) at NRCM proudly recognized the outstanding achievements of its students who successfully completed prestigious internships across various industries and institutions. This special occasion honored the relentless hard work, focus, and perseverance demonstrated by our brightest minds as they applied their academic knowledge to real-world challenges. The internships provided valuable hands-on experience in domains such as power systems, renewable energy, industrial automation, embedded systems, and smart grid technologies.

FAREWELL PARTY

The Department of Electrical & Electronics Engineering (EEE) at Narsimha Reddy Engineering College bid a heartfelt farewell to the outgoing 2021-2025 batch on April 30, 2025, at the MT Block Seminar Hall. The event was filled with emotions, laughter, and gratitude as faculty members and students came together to celebrate the incredible journey of the final-year students. A special moment of the day included a farewell message for Donna Stroupe, appreciating her presence and contributions.

TWO DAY PCB DESIGN WORKSHOP

The Department of EEE at NRCM conducted an engaging two-day workshop on PCB Design in collaboration with Datapoint. Students gained hands-on experience in circuit board designing, guided by industry professionals. The workshop bridged theoretical knowledge with practical application, enhancing technical proficiency. Such initiatives empower students with real-world skills essential for the electronics industry.

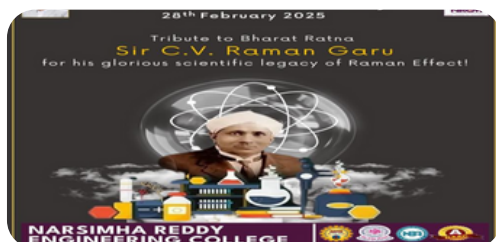

DEPARTMENT OF FME

ECOTECH -2K25 WORKSHOP

ECOTECH 2K25 ignited minds with sustainable innovation on 25th April. Over 450 students explored eco-friendly solutions with dedication. From green engineering to pollution control insights, a future of sustainability took flight with bright lights. Students engaged in lively exchanges, sparking green dreams.

NATIONAL SCIENCE DAY CELEBRATIONS

National Science Day at Narsimha Reddy Engineering College on 28th February 2025, a day dedicated to celebrating the contributions of Indian scientists and fostering a spirit of scientific inquiry among students. Participation from multiple departments, encouraging interdisciplinary scientific dialogue.

ACADEMIC EXCELLENCE AWARDS

On 13th June 2025, the Academic Excellence Awards ceremony was held to recognize and honor outstanding student achievers across various departments. The event celebrated the dedication, hard work, and consistent academic performance of meritorious students.

ONE DAY SEMINAR ON FUTURE OF MECHANICAL AND CIVIL ENGINEERING

The Converging Future of Mechanical and Civil Engineering seminar was conducted on April 11, 2025, by the Freshman Engineering Department for Civil and Mechanical Engineering students. The event served as a dynamic platform to explore the synergy between the two core disciplines. Emphasizing the role of technological advancements, the seminar showcased how interdisciplinary collaboration is shaping a smarter, more sustainable future in both infrastructure and industrial sectors.

NATIONAL YOUTH DAY CELEBRATIONS

The National Youth Day Celebrations on January 11, 2025, at NRCM honored the legacy of Swami Vivekananda, commemorating his birth anniversary. The event reflected his vision of empowering young minds with values of strength, wisdom, and innovation.

DEPARTMENT OF MECH

ONE DAY WORKSHOP ON FUSION 360

The department of Mechanical Engineering has organized one one-day workshop on Fusion 360 in collaboration with ICT Academy on 13th February 2025.

FACULTY PATENT PUBLISHED

Mr. R. Sai Syam, Assistant Professor in the Department of Mechanical Engineering, has achieved a remarkable milestone with the publication of his patent titled "Predictive Modeling of Sunlight-Induced Photocatalytic Degradation With Bifeo3 Nanoparticles Using Machine Learning." This innovative work, filed on May 17, 2025, and published on May 30, 2025, showcases his dedication to cutting-edge research.

FACULTY MEMBER AWARDED PHD DEGREE

We are thrilled to announce that Dr. Dunga Simhana Devi from the Department of Mechanical Engineering has successfully completed her PhD from Lovely Professional University (LPU), Punjab, India! Her research focused on the vital topic of 'Thermo economic analysis of a Diesel Engine fueled with plastic waste oil blend,' contributing significantly to sustainable energy solutions.

ACADEMIC EXCELLENCE AWARDS

Bhujankar Deepika

Bura Shiva

Jammu Balaraju

Presenting the academic performers: Bhujankar Deepika from IV-I with a GPA of 8.65 (Roll No: 22X05A0306), Bura Shiva from III-I with a GPA of 8.16 (Roll No: 22X05A0308), and Jammu Balaraju from II-I with a GPA of 8.00 (Roll No: 24X05A0308).

NPTEL STARS

We are proud to highlight the continuous professional development of our faculty! Ms. Dunga Simhana Devi has successfully completed three NPTEL Online Certification courses from IIT Kharagpur in the Jan-Apr 2025 session: 'Introduction To Internet Of Things' with an Elite score of 79%, 'Cloud Computing' with an Elite score of 65%, and 'Introduction to Database Systems' with a consolidated score of 50%. These achievements demonstrate her commitment to staying current with emerging technologies.

DEPARTMENT OF CE

ONE DAY WORKSHOP ON HIGHER EDUCATION IN ABROAD

One-Day Seminar on “Higher Education in Abroad” Organized by the Department of Civil Engineering on June 9, 2025, it attracted a diverse group of students interested in higher education abroad.

ONE DAY WORKSHOP ON “BUILDING BLOCKS OF INNOVATION”

- The Department of Civil Engineering organized a one-day workshop on “Building Blocks of Innovation: Business Model Canvas in Civil Engineering” on 21-03-2025.
- One Day Workshop on “Building Ideas: A Workshop on Prototype and Process Design.” On 12-03-2025

INDUSTRIAL VISIT

- An industrial visit was organized by the Civil Engineering Department to TSERL (Telangana State Engineering Research Laboratories) on February 14, 2025, for II-year and III-year students.
- The Second year and third year year students of Civil Engineering have visited the ‘NATIONAL ACADEMY OF CONSTRUCTION’ on 29th January, 2025 at NAC Grounds, Izzathnagar, Cyberabad, Hyderabad, Kothaguda, Telangana.

DEPARTMENT OF MBA

ONE-DAY TRAINING: CAREER PLANNING AND SKILL DEVELOPMENT

INDUSTRY EXPECTATIONS, GLOBAL OPPORTUNITIES, AND STRATEGIC PATHWAYS

A highly interactive session that focused on strategic career mapping, industry-ready skills, and emerging global trends. Students gained insights into communication, leadership, adaptability, and professionalism—key skills for today's managers.

INDUSTRIAL VISIT

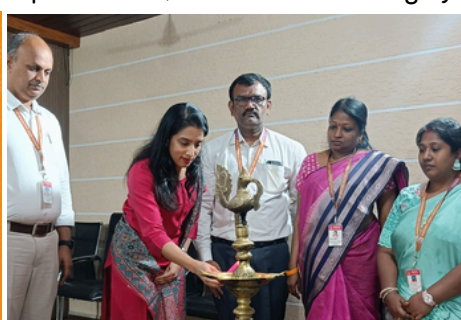

INDUSTRIAL VISIT TO HINDUSTAN COCA-COLA BEVERAGES PVT. LTD

MBA students visited the manufacturing unit of Hindustan Coca-Cola Beverages Pvt. Ltd. Students were exposed to large-scale production, quality control mechanisms, logistics, and marketing strategies of the iconic global brand.

ONE-DAY SEMINAR ON FINANCIAL LITERACY

The Department of MBA organized a One-Day Seminar on Financial Literacy on 17th Feb, 2025. This informative seminar helped participants understand key concepts in budgeting, saving, investing, and financial planning. With a special focus on youth financial empowerment, the session was highly appreciated by both students and faculty.

One-Day Seminar on Financial Literacy: "Money Matters"

FAREWELL FUNCTION: CIAO-2K25

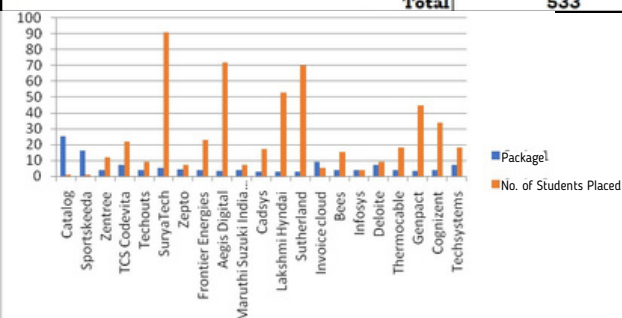

A heartfelt farewell was hosted for the outgoing MBA batch on 10th May, 2025. For this Memorable event chief guest is Super Raja (Actor & Director). Memories that last a lifetime - wishing our seniors success and happiness always! given message by Dr. P Nagaraja, HOD- MBA.
